**NOTIFICATION OF TRANSFER FROM THE ETQA UNIT TO THE STANDARDS  
GENERATION BODY UNIT**

Please be advised that Jay Moodley, the current ETQA Manager has been transferred to become an SGB Manager with effect from the 01 October 2012. We believe this move will strengthen the MQA team in light of the many changes taking place in our external environment impacting on the skills development in the mining sector.

This creates a vacancy for the ETQA Manager position however we are of the view that we will be able to finalise this appointment by mid November 2012. Please join us in supporting Jay Moodley to be able to meet all the challenges she will be confronted with in her new role.

Kind regards

SAM SEEPEI
